

Ring of Gullion Youth Rangers 2019

28th May 2019

Dear Potential Youth Ranger

Letter for Potential Youth Rangers

Thank you for expressing an interest in being a part of the Ring of Gullion Youth Rangers Programme. With this letter you will find some more detailed information about the scheme, a letter for your parents/carers, the programme schedule, a copy of the Youth Rangers Code of Behaviour and an application form.

The Ring of Gullion Youth Rangers is aimed at 14-17-year olds from the Ring of Gullion area. The programme is eight-days long and will be running from 16th July to 25th July (excluding the weekend). Each day will run from 10am to 4pm and the coach parking bay in Slieve Gullion Forest Park will be used as a central drop off and collection point. Each day you will have the opportunity to learn an outdoor skill and get hands on with some practical environmental work. It will give you an insight into what is involved in environmental management.

You should come in clothes suitable for exploring and working outdoors (including waterproof jacket and trousers, if you have them), long trousers (**not shorts** as these do not provide suitable leg protection) and sturdy footwear (walking boots or work boots). If necessary, we will lend participants waterproofs and other equipment when these are required. You will also need a packed lunch and water, particularly in hot weather.

Not only is this scheme a great opportunity for you to get some practical experience and learn about looking after the environment, but it is also a good way to get out and about in the Ring of Gullion during your summer holidays. You'll be able to learn first aid, canoeing and survival skills as well as work towards an Explorer-level John Muir Award (www.johnmuiraward.org). In return, we expect all Youth Rangers to participate as fully as possible in the activities, to contribute to the efforts of the team and to adhere to our code of conduct. To learn more about the type of activities you will be taking part in please have a look at the enclosed schedule.

We would hope you will be able to commit to all the Ranger Days, but if you have a prearranged family holiday or another engagement please mention it on the application form, as it will assist us with planning activities.

If you decide that this programme is for you please make sure that your parent/carer reads the information in this pack and signs the application form to give their consent. The applications must be with us by **5pm on Friday 28th June**; applications received after this time will not be accepted.

If you have any queries about the Ring of Gullion Youth Rangers, please do not hesitate to contact us using the details below, or you can visit our Crossmaglen office at the address below.

Please note that you must be 14 or older by the start of the course and under 18 for the duration of the programme.

Please also note that places are limited on this scheme, so please ensure your application is submitted before the closing date of 5pm Friday 28th June. We may have to use a selection process if applications exceed the places available. We will endeavour to have a 50:50 ratio of boys and girls.

We look forward to receiving your application and to a great summer of activity by the Ring of Gullion Youth Rangers.

Yours sincerely,

Alison Brady
Volunteer & Outreach Officer

28th May 2019

Dear Parent/Carer

Letter to parent/carers of potential Youth Rangers

Your child has expressed an interest in participating in the Ring of Gullion Youth Ranger Programme. With this letter you will find more details about the scheme:

- An application form
- A letter to prospective Ring of Gullion Youth Rangers
- Youth Ranger schedule
- A copy of the Youth Rangers Code of Behaviour
- Our selection criteria

Please read this information carefully and decide if you are happy for your child to apply to be one of the Ring of Gullion Youth Rangers. Please check all the information on the application form and sign the form to show your consent.

The scheme will run for eight days from 16th July to 25th July (excluding the weekend). Slieve Gullion Forest Park will act as a central drop-off and collection point for the Youth Rangers. The Youth Rangers need to be at the coach parking bay of the Forest Park by 10am, to meet the bus, which will take them to the day's activity location. The Youth Rangers will be returned to Slieve Gullion Forest Park for collection by 4pm. **Due to changes in funding, the Youth Ranger Programme costs £100 per child, payable once your child is accepted onto the programme and prior to the start of the programme.** The programme is part funded by the Northern Ireland Environment Agency, Heritage Lottery Fund and Newry, Mourne and Down District Council.

The participants should come in clothes suitable for working and exploring outdoors (including waterproof jackets and trousers if they have them) and sturdy footwear (preferably walking boots); they should also bring a packed lunch and plenty of drinking water and sun cream. We will lend participants waterproofs, if they don't have their own, and other equipment as these are required. Please see the schedule for the range of activities, which are covered.

We hope you will agree that this scheme is a great opportunity for young people to get some practical conservation experience, whilst learning valuable life skills, such as first aid, teamwork and a John Muir Award (www.johnmuiraward.org). It is also an excellent opportunity for them to explore the Ring of Gullion during the summer holidays and contribute something to its conservation. Your child will also have the opportunity to gain qualifications in canoeing and Leave No Trace. In return, we would expect all Youth Rangers to participate as fully as possible in the activities, to contribute to the efforts of the team and to adhere to our code of conduct.

We are preferably looking for Youth Rangers who live locally in the Ring of Gullion Landscape Partnership Area and who are able to commit to all of the Ranger Days, but this is not essential. If you have a prearranged family holiday or another engagement, which would prevent attendance at one or more of these days, please do mention it on the application form as we do need to be able to plan for the numbers participating in each activity.

All staff working on the programme are fully trained in the activities they are providing, are qualified first aiders and abide by child protection policies and codes of conduct.

Please note that your child must be 14 or older by the start of the course and under 18 for the duration of the programme.

Please note that places are limited on this scheme, so please ensure your child's application is submitted before the closing date of 5pm Friday 28th June.

We may have to use a selection process if applications exceed the places available. We will endeavour to have a 50:50 ratio of boys and girls. All things being equal, priority will be given to children living in the Ring of Gullion Landscape Partnership Area.

If you have any queries about the Ring of Gullion Youth Rangers, please do not hesitate to contact us, using the details below, or you can visit our Crossmaglen office at the address below.

If you decide that this programme is suitable for your child, please check that the form is fully completed (including the medical information) and signed.

Yours sincerely,

Alison Brady
Volunteer & Outreach Officer
Tel: 028 3082 8594
Email: volunteer@ringofgullion.org

*A copy of our child protection policy is available on request.

General Youth Ranger Schedule 2019

Please note that this is a general schedule and may be subject to change.

Day 1: Team building & navigation day, Slieve Gullion

Day 2: Bracken Bashing, Slieve Gullion

Day 3: Remote Emergency Care First Aid; valid for 3 years, Slieve Gullion

Day 4: Hill walking & litter lift, Slieve Gullion

Day 5: Litter lift & canoeing, Camlough Lake

Day 6: Conservation day / Biodiversity surveys, location TBC

Day 7: Zombie Apocalypse Survival Training, location TBC

Day 8: Tree nursery and presentation day, Mullaghbane

Each Youth Ranger, in turn, will be responsible for writing a blog of the day's activities or sharing a story about the area, for the Ring of Gullion website.

Day 1: Get to know your group leaders and fellow Youth Rangers through fun games and challenges. Receive an introduction to what's involved in the rest of the programme. Human sat nav – put your newly acquired map reading and navigation skills into practice.

Day 2: Bashing bracken and clearing a path along one of the Slieve Gullion Famine Walls uncovering the feature and preparing the route for the Lúnasa Festival guided hikes.

Day 3: Learn how to deal with conscious and unconscious patients, bleeding, broken bones and minor illnesses. This is a recognised first aid qualification; valid for three years. It is useful to have when out exploring and it looks great on a CV.

Day 4: Exploring Slieve Gullion Mountain learning about its habitats, archaeology, legends and geology. You'll also have an opportunity to learn about how we look after the mountain and possibly help build a section of new path across the top of the mountain.

Day 5: Examining the impact of littering on the lake environment and the main types of litter found there. The litter lift will be followed by canoeing on Camlough Lake, working towards a PaddleStart qualification. There will also be plenty of opportunity for water games.

Day 6: Conservation day – carrying out biodiversity surveys. Practical conservation work.

Day 7: Learn how to survive in the wild after the zombie apocalypse with nothing more than your bug out bag (emergency survival kit). Learn how to make a shelter and safe campfire without leaving any trace that you were there.

Day 8: Litter survey and lift along Forkhill River. Helping look after the trees of tomorrow in our tree and wildflower nursery. The day will finish with a surprise activity and a presentation, which your parents are warmly invited to.

Code of conduct for Youth Rangers

Youth Rangers should follow key points of the outdoor code:

- Take responsibility for your own actions
- Respect the interests of other people
- Care for the environment

Youth Rangers should also:

- Participate fully with activities
- Work as part of a team and support the aims of the team

Youth Rangers should never:

- Engage in physical or suggestive games or horseplay
- Display any forms of bullying behaviour
- Use inappropriate language

Sanctions for Rangers

- Where a staff member, group leader or group member feels that the code of behaviour has been breached the individual concerned will be verbally warned by their group leader. Should the breach of the code be continued, the group leader will make a decision on whether the group task should be abandoned or the individual concerned given a different role.

Disciplinary Procedure

- The participants will be given a thorough briefing on the Code of Behaviour; this is also provided in written form in the information supplied to participants. If the code is breached, a verbal warning will be issued. A second breach will result in a written warning being issued to the participant (and copied to their parent/carer). Any subsequent breach will result in their exclusion from the programme, which will be advised verbally and in writing to both the participant and their parent/carer.
- Any participant whose behaviour could result in danger to the health and safety of themselves or others could be immediately excluded without resorting to verbal and written warnings.

Youth Ranger Application Form 2019

CONFIDENTIAL

The information on this form is confidential and will be used to assist us in choosing the best candidates for the Youth Ranger Programme.

Forms must be returned by Friday 28th June 2019.

Selection criteria for Youth Ranger Programme

Q1. Why is the Ring of Gullion important to you? – 50% weighting

Q2. Why are you interested in becoming a Youth Ranger? – 50% weighting

Mark	Description
5	Excellent response that demonstrates a full understanding of the question with excellent level of detail.
4	Good response that demonstrates an understanding of the question.
3	Acceptable response that demonstrates a level of understanding but with limited detail to provide a higher score.
2	Unacceptable response that failed to provide detailed information in response to the question.
1	Poor response with a lack of relevant information
0	Applicants response did not provide any relevant information

If there is a tie between candidates, then priority will be given to those living within the Ring of Gullion Landscape Partnership Area.
